

Chiho-Tiande (HK) Ltd is now ISO 14001 Certified

We are proud to announce that Chiho-Tiande (HK) Ltd has successfully obtained ISO 14001 accreditation for its environmental management system. ISO 14001 is the internationally recognized standard for environmental management. It provides a framework for organizations to identify and control their environmental impact and constantly improve their environmental performance in response to changing external and internal factors.

Our registration is granted by third party assessors under the guidelines administered by ISO. Achieving ISO 14001 certification illustrates our ongoing commitment to adopting industry best practices to improve environmental performance.
